**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE AND GRANTING THE
PLAINTIFF'S MOTION FOR ATTORNEY'S FEES**

On August 25, 2023, United States Magistrate Judge John R. Parker issued his Findings, Conclusions, and Recommendation (FCR) as to the plaintiff's pending motion for attorney's fees. *See* Dkt. Nos. 19; 21. Judge Parker recommend that the Court grant the plaintiff's motion, in part because the Commissioner filed a response indicating that she was unopposed to the plaintiff's request. Dkt. No. 20. No objections to the FCR were filed. The District Court has reviewed the proposed FCR for clear error. Finding none, the Court accepts the FCR and grants the plaintiff's motion. Dkt. No. 19. In accordance with that judgment, the Court awards the plaintiff \$6,765.00 in attorney's fees made payable to the plaintiff in care of her attorney.

So ordered on September 27, 2023.
